Building Better Bridges

Are you interested in getting support with your child’s Fall 2018 school transition?

NOW RECRUITING RESEARCH PARTICIPANTS

Do you have a child with autism transitioning to...

1. Kindergarten
2. Middle school
3. High school

If you answered yes to any of the above, you may be eligible to participate in this research study.

We want to work with you to support the transition process.

Who can participate?

- Parents or caregivers who have a child on the autism spectrum who is transitioning to a new school (i.e., moving from pre-school to kindergarten, elementary school to junior high) in Fall 2018

What else can be expected?

- You will participate in the transition planning for your student
- You will be asked to fill out some forms
- You will have access to resources that may help you understand the transition process
- A gift will be offered for your time and participation
- Participation is voluntary
